GUIDES, INFO AND ONLINE ACCESS FOR FOCUS STUDENTS

PLEASE USE THE FOLLOWING STEPS FOR COMPLETING BLIZZARD BAG WORK:

1. Contact your teacher for an electronic copy of your syllabus. You will continue to work on your regularly scheduled classes from where you left off. If you do not know your current classes, or if you completed a course, please email Mr. Popesco (paul.popesco@focuslearn.org).
2. Use the following websites to access your online textbooks. (If you encounter problems with technology or do not have access to a personal computer, please email Mr. Hill [kerry.hill@focuslearn.org] and Mr. Popesco for other options).
3. Complete work in one of the following ways (maintain hard copies for when school resumes):
 - Write on notebook paper, take a picture, and email it to your teacher.
 - Create a GoogleDoc and share with your teacher.
 - Attach a Word document with answers to an email to your teacher.
 - Put your answers in the text of an email.
 - If these options are proving difficult, contact Mr. Popesco
